

ASME South Texas Meeting

Thursday, November 15, 2018

Program: *“Engineering Ethics and New Developments in Texas Professional Engineer Certifications”*

Speaker: **George Hartmann, PE – Texas Board of Professional Engineers – Austin, TX**

This presentation will satisfy the minimum 1 hour of annual Engineering Ethics study required for Professional Engineers registered in the state of Texas.

George Hartmann has been on the Texas Board of Professional Engineers for 13 years. Prior to joining the Board, he served on the Texas Commission on Environmental Quality. He has worked at Huntsman in Austin and served on the Texas Natural Resource Conservation Commission. He was employed at Southwestern Laboratories, Huntingdon, Maxim Technologies and served on the Texas Department of Water Resources / Texas Water Commission. He began his career at Espey, Huston & Associates. George has an Associate of Applied Science degree in Engineering from State University of New York (SUNY), and a Bachelors of Engineering in Chemical Engineering from Manhattan College.
